

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Applicants correctly argue that Tables IX and X in their specification establish that unexpected results are obtained with their claimed combination of poly(vinyl alcohol) percent hydrolysis and viscosity limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to BRUCE H. HESS whose telephone number is (571)272-1525. The examiner can normally be reached on M-F.
